

OUR PLEDGE TO YOU

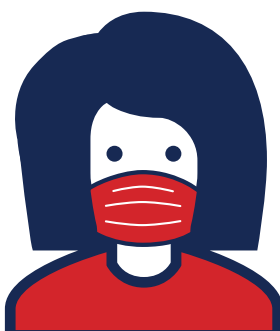

The ALX Promise, a certification program of the **Alexandria Health Department** supported by Visit Alexandria, is a signal to employees and customers that this business has gone above and beyond in their commitment to following all federal, state and local health guidelines. The ALX Promise decal on a window or website means this business:

Implements all proper cleaning and sanitizing procedures

Practices physical distancing within their business

Requires employees to wear protective gear and expects customers to follow current face covering guidance

Has completed a consultation with the Alexandria Health Department

Has completed the Alexandria Health Department's employee training, which includes guidance on guest safety and alcoholic beverage regulations

Agrees to follow all future guidance as Alexandria enters new phases

We're committed to doing our part to keep our community safe, and we hope you will, too.
